A PAIR OF FATHER'S DAY CHIPS AT TRUMP PLAZA

Two short-notice, Father's Day nickel chips were announced on June 12th and issued on my birthday, June 13th. A father and son was depicted on one design, the other design featured a father and daughter. 500 of each chip was issued.

\$10 HOOTERS AT TRUMP MARINA SOON

MAR-10u

Sorry ... no scan available!

This chip is part of the announced 3-piece Hooters set that was issued back in March when only two of the three denominations were released and the 3rd (a \$10 value) was supposed to be

released on June 30th. However, due to the annual CC>CC Convention being held in Las Vegas that week when many chippers will be in attendance, the new release date for this issue of 1000 chips has been pushed up to July 7th.

BTW: I've been advised that there will be no live gaming on The Deck this season.

NEW ROULETTES AT TROPICANA

Trop has added a few more roulette tables on the casino floor. New tables mean new designs ... and there are a total of four new designs in a half-dozen colors. Do the math! Should keep the 'harvesters' busy for awhile!

COMING UP NEXT ...

Trump Marina has announced a chip will be released for the Atlantic City Air Show in August ... which has become one of the premier air shows in the entire country.

“WHEN THE CHIPS ARE DOWN, YOU CAN BET MR. CHIPS WILL BE THERE TO PICK THEM UP!”

Also, a Kansas tribute chip ... and a “gruesome Halloween chip set” are in the works.

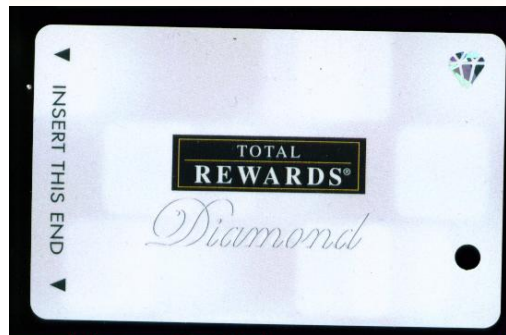

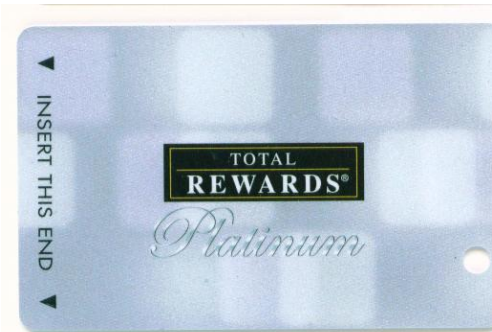

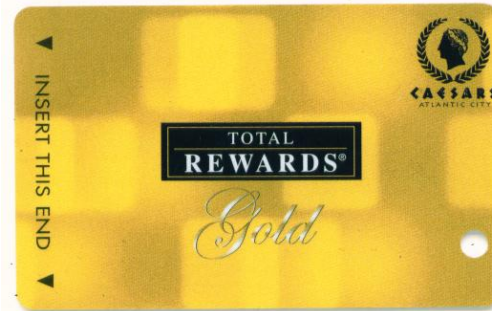

Sorry, no artwork available.

Now, if we could only convince other properties in town to get their collective L.E. chip acts together.....

CASINO PLAYING CARD STILL DECKS WANTED!

If anyone wishes to trade duplicate card decks with us, I would be happy to email our illustrated list of available A.C. and Nevada card decks for trade to you. In the event you have a deck that is not illustrated in my new A.C. Playing Card Guide, I will send you a complimentary copy of the guide and list your name as a contributor to this new reference work that will be unavailable to the general public.

NEW SLOT CARDS AT CAESARS

I've sent the new Caesars A.C. “Gold” cards to my subscribers with the May mailing. I only had a few of the Platinum and Diamond cards at that

time. I now have obtained several more Platinum and Diamond cards (w/names) that I will be sending with my June mailing; which will be slightly delayed until my return from Las Vegas in early July. If anyone else would like to receive new slot cards and room keys as they are issued, please send me an email notification and I'll put you on the list.

Speaking of slot cards. I recently came into possession of quite a few different blank Limited Edition cards from a year ago or more. I'm blowing them out at \$2 bucks each! LMK, via email, if interested.

HOPE TO SEE MANY OF YOU IN LAS VEGAS!

PULLEEZE RETURN INVOICES WITH YOUR PAYMENT!!

Also, while I've got your attention ... if you are behind in payment(s), I will not be mailing out the current chips in the future until payment is received for the previous shipment. This could result in some subscribers not receiving a few of the short issues. It's not fair to those who are current with their monthly payments who do not receive a chip in short supply ... when those who may be in arrears do get one. Please help me out with my bookkeeping by staying up to date with invoices.
