ROULETTE CHIP ALERT!!

I’ve been advised that Trump properties are cracking down on roulette chips being taken from gaming tables by collectors. While no action is being contemplated against prior harvesting ..., signs are being placed on the property that future violators of Trumps new roulette chip policy will be prosecuted. Be advised that I will not be providing any new roulette chips from Trump properties to any of my NIS subscribers in the future.

PERSONAL CONVENTION 2004 CHIP AVAILABLE

For those of you who were not able to attend the 2004 CC>CC Convention, I have a few of my personal chips left over that were distributed exclusively to the banquet attendees. On a first-come, first-served email basis only ... I am offering the left-overs to my new issues subscribers at \$4 each.

TRUMP MARINA ISSUES \$10 GEORGE THOROGOOD LE

I was happy to see that Todd Moyer waited until all the chippers returned from the Las Vegas CC>CC Convention before releasing the George Thorogood LE chip (500)

RENEW YOUR VOWS CHIP AT MARINA

MAR-10k

This chip was issued only days after the George Thorogood chip. A rare Sunday chip release date.

BORGATA ISSUES \$10 CHIP ... IN POKER ROOM ONLY!

BOR-10

With no advance notice or fanfare ... Borgata now has a \$10 chip in play at their poker room. This chip can be purchased at the poker room cage, but not in small quantities as the chip is intended for use in \$30/60 and \$40/80 poker games. I'll be sending them to my \$10 subscribers in my June chip packages later this week.

NEW RACK AT RESORTS

On June 24th, Resorts changed over all their regular table chips to a completely new design in anticipation of their new hotel tower opening on the July 4th weekend. Will be something for all chippers in this month's mailing.

NEW CASINO MANAGER AT SHOWBOAT IN AUGUST

Just received unofficial word that one of our local chippers who made good in the casino industry will become the new Showboat Casino Manager on August 1st ... and that new LE's are already on the drawing board. That's good news! I'm sure that Chris Block will make Showboat a “chipper friendly” property, along similar lines of the Trump properties in town.

Trump properties have been carrying the chip load for our hobby in Atlantic City for quite some time. It will be refreshing for new issues to be coming from a different property... which I'm 100% certain will be chipper friendly.

NEW SLOT CARD AT TRUMP PLAZA ... SCARCE!

This extremely tough card to locate was distributed with no advance notice. By the time I found out about them, they were all gone. I understand that only 3000 were made ... which is an extremely low issue. Sorry, I only found one orphaned card left at a slot machine over this past weekend. I'll be keeping my eyes open for more each weekend visit to A.C.

The Card Sharks are a professional indoor football team that plays their home games in Boardwalk Hall, next to Trump Plaza.

ARE YOU A CC>CC MEMBER??

If not, I would be pleased to sponsor you as a new club member. Please email me for a membership application.
