Sorry gang ... no A.C. newsletter is being issued this month. There have been no new chips issued during the month of April to report. I'm told that the Kentucky Derby \$100 chip has been ordered for Trump Plaza, but no release date has been announced. Plaza is also going to do TWO Father's Day chips this year ... but no Mother's Day issue. Joe Gontowski is no longer in charge of the chip program at Trump Plaza at his request.

I did receive a few questions about the second set of “3rd Anniversary” Hooters chips that was issued by Trump Marina that were sent out with the March Invoices.

According to Todd Moyer, these chips have been sitting in the casino cage vault since last year and were not released at that time, so they released them this year.

However, there was a \$5 chip in this current series that was not released when the \$10 and \$25 chips were issued. Todd says that it was held back and will be released around Memorial Day to mark the re-opening of The Deck at the beginning of the 2006 summer season.

Todd also has a couple of other new LE”s planned, but no details have been announced.

This would be a good time for anyone who has any outstanding invoices that have not been paid to bring your past due accounts up to date.

Regards, Archie
