ACCHIPS WEBSITE

For those of you who are not aware, my popular website for Atlantic City casino chips is now up and running and receiving lots of “hits”. Virtually every regular issue and Limited Edition Atlantic City chip, plus lots of roulettes are now illustrated in full color at www.callzia.com/dghome/acchips/home.htm

You will also find a convenient link to a listing of many chips that I have for sale. Take a quick peek.... You just might find something that you can’t live without!

SAMMY HAGAR A.C. STYLE

Well, the Sammy Hagar chip caused a very heated stir in Las Vegas when it was issued at Hard Rock Café to only selected high-rollers. It looks like the A.C. version has been delayed for possibly two to three months.

1000 of the \$5 chips were ordered and 400 of the \$25 chips were ordered.

However, 100 of the 400 \$5 chips are being held back for Sammy Hagar, so I’m told.

JOHN BERUBE ... \$100.00

This serially-numbered, very limited chip illustrated above is available only to those who donate \$100 or more to the club's building fund. A mere 100 chips were made and donated by Andy Hughes' "Nevada Casino Chips" with only about 30 chips left according to Hughes. Each donor will receive one of the \$100 Resorts Fun Nite paper bill regardless of the donation given. I don't know what to send John Berube ... but I do know that Andy has a nice Building Fund chip for him that he

should have received by now for his donation! Thank you for your generosity John!

Additional Building Fund donations since the June & July Newsletter:

JOHN HAMMOND	\$ 1.00
FRANK GREGOR	\$ 1.00
SCHMIDT	\$ 3.00
ZELLNER	\$ 4.00
STEVEN FRIEDMAN	\$ 5.00

Hey, I realize a buck ain't much ... but each buck will buy a brick. Won't you help and pitch in and add a buck or two with your next check?

**Please be patient if your cancelled check has not been returned yet. Seems like there has been a delay in setting up the new account with two signatures required.

NEW SHOWBOAT TOKENS.

Thank you Earl Donley! Once again,
my A.C. token spies have let me down.
I had to find out about these new tokens
from a token collector in Las Vegas.

New \$5, \$10, \$25 & \$100 tokens at
Showboat have replaced the former slot
tokens dated 1987 with the riverboat
design. The new tokens have the
following New Orleans Mardi Gras
themes;

\$5; Mardi Gras mask on obverse, Bass
player on reverse

\$10; Mask on obverse, Juggler on
reverse

\$25; Mask on obverse, Accordion
player on reverse.

\$100; Mask on obverse, Trumpet
player on reverse.

Did you know that smoking is no
longer permitted at Showboat's \$2 slot
machines? Do you know why??
A. Because there are no more \$2 slot
machines to play at Showboat any
longer!

HARRAH'S HAS NEW ROULETTE TABLE/CHIPS

Another new shell chip has been
introduced on a 6th roulette table
introduced at Harrah's. Don't know
the official name of the shell, but it's
another pretty one that has reportedly
been on the table for close to 2 months
before anyone knew about it.

MARTIN SHORT L.E. CHIP AT RESORTS

An unusual Saturday afternoon chip
release took place on August 31st, when
Resorts issued a \$5 Martin Short chip
at 1 p.m.. Not only was the Saturday

“MR. CHIPS” NEW ISSUES SERVICE

release unusual, a personal appearance of Mr. Short provided a hectic media event photo shoot at the table. I was first in line seated at the roulette table (playing for an hour) prior to the release and was able to get Martin's autograph on the first chip sold while the cameras flashed and the video news cameras whirled.

RES-50

3 CLUB OFFICERS RESIGN

Around mid-August, the CC>CC Vice-President, the Secretary and the Treasurer have submitted their resignations to Club President Nate Pincus. President Pincus has appointed Mike Quinlivan to fill out the remainder of David Shron's Treasurer's position. Marty Kaplan and Neal Silverman's replacements have been announced by President Pincus. John Zoech of Tennessee has been appointed

the new Vice President and Tyrus Mulkey of Las Vegas has been appointed to replace the vacant Secretary's position for the remainder of those terms. Good luck to both gentlemen.

1ST ISSUE RESORTS \$25 H&C RARITY ALERT!!

(not actual chip being offered for sale... this image is from my website)

One of my subscribers is offering his 1st Issue Resorts \$25 H&C chip for sale (RES-25) and is now taking offers.

Serious interested buyers are invited to contact me and I'll have the seller contact you directly. Asking price is in the neighborhood of \$2500 -- which is a very reasonable price for a chip of this stature. The edges are not rounded and there are no nicks or dings, according to the seller. This chip is a truly rare specimen as they do not come on the market all that often... and when they do appear..., competition is usually pretty stiff to obtain it.

NOTICE TO ALL SUBSCRIBERS

If you have been receiving these monthly e-newsletters, but not the chips a few days later..., chances are it might be because you are behind in payment for one or more previous shipments. I have no way of knowing if you have received a prior mailing or not, especially those mailings that are uninsured. I try to save my subscribers excessive postal insurance costs on packages valued under \$20 or so by not insuring them. So far, my losses have been negligible. I will continue to mail uninsured packages of lower values, but I have no way of knowing

“MR. CHIPS” NEW ISSUES SERVICE

that a package has been received at your end until I receive payment for it... and I no longer mail out the following month's package anymore until the previous month is paid for.

99% of you are great by paying promptly each month, but there are a few who do require some occasional prodding once in awhile.

IS YOUR EMAIL ADDRESS AND MAILING ADDRESS UP TO DATE?

Taj Chip Project Announcement

Posted By: Dick Brach
<cabodick@AOL.com>

**Date: Wednesday, 7 August 2002,
at 10:41 a.m.**

The Taj Mahal is going to do a chip project to promote the 15th Anniversary of the CCGT&CC in early 2003.

In recognition, there will be two chips... a \$5.00 & \$25.00. The chips will have the National Club's Logo as part of the artwork, which has been approved by the current National BOD.

The distribution and quantity of chips produced will be

CONTROLLED by the Atlantic City Chapter.

Orders will be taken by the chapter for the chips at \$1.00 over face per chip with the profit on the sale going to the National Building Fund. The AC Chapter will NOT make a profit on this sale. The chips will have a mailing cost of \$2.00 up to the first 5 chips, and \$2.00 additional for up to each five additional chips. There will NOT be a limit on the amount of chips which you may order.

An order form will be included in the next issue of the National Club Magazine for placing orders. You may order the chips from Archie Black if you are on his subscription service at the same prices.

“MR. CHIPS” NEW ISSUES SERVICE

Archie has agreed to provide his services on these chips without any profit for himself. Thanks to Archie for his efforts on this program. These chips should become available in either December or early January, 2003. We will NOT take any orders until the order form is in the next issue of the CC>CC National Magazine.

Thanks to Trump Taj Mahal and Mike Custodio for their time and efforts to make this happen. It is hoped that we can write a check to the National Building fund for \$1,500.00

Please support this project with your purchase of

these L.E. chips when they are ready for release.

Dick Brach A.C.
Chapter President.

Subscribers to my Atlantic City New Issues Service will have to let me know in advance how many of these chips they would like to pre-order. I must give a total number of requests to the A.C. Chapter officials who are handling the distribution.

\$5 CHIPS WANTED

One of my customers is looking for the following \$5 chips in strictly un-circulated condition. If you have any for sale, email me (Archie) and I will provide you with the seller's name & address.

\$5 Brighton
\$5 Caesars
