“MORE THAN JUST A CHIP DEALER”

AUCTION RESULTS!! TRUMP MARINA \$25 JULY 4th

ONLY A.C. NEW ISSUES
SUBSCRIBERS WERE ELIGIBLE
TO BID!

C MAR-25e

Scan images compliments of Scott Harmon

Only 100 pieces of this chip were manufactured ... making it the scarcest \$25 L.E. chip ever issued in Atlantic City. Rumor has it that there is one speculator (not one of my bidders) who is buying up every one of these chips that comes on the market and at last count had something like 17 of them.

AUCTION DEADLINE WAS JULY 22ND ... AND THE WINNERS ARE:

1. Richard Zellner	\$221.00
2. Robert Mruczek	\$201.00
3. Dick Reynolds	\$181.00
4. Dean Porter	\$176.00
5. Jerry Stargot	\$167.00
6. Ed Piscina	\$150.00
7. Jack Heiman	\$150.00
8. John Berube	\$150.00
9. Len Grey	\$140.00
10. John Riggins	\$133.00

Note: Thanks to all bidders. I’ve reduced the top bid to 10% above the second highest bid. Your chips along with invoices will be mailed out with the newly released Resorts Tom Jones chips sometime this week.

NCV MEDALS AT TRUMP MARINA

T MAR-0a T MAR-0b T MAR-0c

As was reported in the July 4th issue of this newsletter ... Barbara Fritze had brought to my attention an attractive three-piece set of NCV promotional commemorative medallions that were awarded to active players at Trump Marina. One medal was given each week over a three-week period just before the 4th of July holiday. The constant theme on these medals is “American Flag Moments”.

“MR. CHIPS” NEW ISSUES SERVICE

Well, since my July 4th e-newsletter went out, Trump Marina has responded to a request by the Atlantic City Chapter to make 50 of these sets available to Chapter Members. At the July 14th Chapter meeting, all fifty 3-piece bronze sets were sold to Chapter Members for \$10 per set..., limited to one set per Chapter Member, with all proceeds going into the Chapter Treasury.

CC>CC BUILDING FUND

I've received donations of \$1 or more from the following A.C. New Issues Subscribers who will all receive with the next chip mailing, the \$100 Fun Nite bill used at Resorts:

DAVID WILLIS \$5

Hey, I realize a few bucks ain't much ... but each buck will buy a brick. Won't you help and pitch in and add a buck or two with your next check?

JOHN BERUBE ... \$100.00

This serially-numbered, very limited chip illustrated above is available only to those who donate \$100 or more to the club's building fund. A mere 100 chips were made and donated by Andy Hughes' "Nevada Casino Chips" with only about 30 chips left according to Hughes. Each donor will receive one of the \$100 Resorts Fun Nite paper bill regardless of the donation given. I don't know what to send John Berube ... but I do know that Andy has a nice Building Fund chip for him that he should have received by now for his donation! Thank you for your generosity John!

TUNA CLUB TOKEN

“MR. CHIPS” NEW ISSUES SERVICE

Bill Karr loaned this Tuna Club medal to me to take a digital photo of. This bronze medal was issued to commemorate the Tuna Club’s 10th Anniversary, which at the time was the largest fishing club in the United States. Has anyone seen another one like it?

Thanks for sharing it with us Bill.

Don’t forget.....

“BUY THE BOOK BEFORE THE CHIP”

**RESORTS 25th Anniversary
NCV SET**

Still is pretty tough getting these chips away from Resorts’ players. Seems that nobody wants to part with them.

A player is qualified to receive ONE chip after accumulating 25 slot credits, or 4 hours of action on a table game. Bob Toots told me that he put \$60 in a

slot machine and received only ONE credit ... just to give you some idea of the action that is required in order to obtain these “expensive” NCV chips. At this time, I’m in no position to provide these promotional chips to any of my new issues subscribers.

**BANK IS GIVING ME A
HARD TIME...**

Through no fault of my subscribers, I must request that all payment checks must be made out to Mr. Chips, Inc. ... or to Mr. Chips. My bank here in New Jersey advises that they will no longer accept checks made out to “New Issues Service” or “A.C. New Issues Service” that are to be deposited into the Mr. Chips, Inc. checking account.

**PLEASE RETURN INVOICES
W/PAYMENTS**

**NEXT L.E. CHIP TO BE
RELEASED AT TRUMP
MARINA??**

Here is the artwork that has been supplied by Todd Moyer, Trump Marina Executive, for the upcoming Sammy Hagar \$5 and \$25 chips. 1000 \$5’s and 300 \$25 are reported to have been ordered. Release date has not yet been announced ... but in all probability will be in conjunction with Hagar’s appearance at The Marina in August.

PLEASE CHECK YOUR MAILING ADDRESS LABELS

The last mailing, in case you had not noticed, was hand addressed due to a printer failure. Got a new printer installed and now would be a good time for everyone to check my codes for your chip wants.

Below your name on the mailing label, you will find following your club membership number, a series of letters, symbols and numbers. This is a simplified code in my database that tells me what chips and tokens to send out to you each mailing.

C=Chip; T=Token; C^5 would mean all chips up to \$5 denomination. T^25= Tokens up to \$25; 2@C^100 means two of each chip up to the \$100 denomination. C1 means \$1 chips only. T1 is \$1 tokens only. LE=Limited Edition chips only.

If you would like to change your new issues requests, please let me know and I'll make the change in my computer.

Trying to get the Tom Jones chips out sometime this week.

This is what you've been missing with respect to past Newsletter issues.... and this is all in black and white! Just imagine what this newsletter looks like in color on your PC monitor! If you have been receiving these newsletters via email... then I already have your email address on file. If you have an email address and are not receiving my e-Newsletters, then it means I don't have your email address in my database. Exception: I am aware that web-tv users are unable to open my attached email word documents.... but there is not too much I can do about it to make it happen.
