\$5 & \$25 HOOTERS ANNIVERSARY CHIPS

A surprise announcement was made by Todd Moyer, on the day before the March meeting of the Atlantic City Casino Collectibles Club, that Trump Marina would be putting out their 2006 Hooters Anniversary \$5 & \$25 chips at 4 p.m. following the annual meeting /buffet at Trump Marina. Obviously, a proof-reading omission (not a production error) was made on the chip indicating this was the 3rd Anniversary chip issued for Hooters, when in fact, the issue that was released in 2005 indicated those were the 3rd Anniversary issue. Should this have been the 4th Anniversary chips? I'm waiting for a reply to my inquiry to Todd.

MAR-25n (250 issued)

MAR-100h (100 issued)

Todd Moyer also reported that the freeze on Trump Marina chips is over and that the property is going to resume its LE chip program.

CASINO PLAYING CARD DECKS STILL WANTED!

If anyone wishes to trade duplicate card decks with us, I would be happy to email our illustrated list of card decks available for trade to you. In the event you have an extra deck that is not illustrated in my new A.C. Playing Card Guide, I will send you a complimentary copy of the guide and list your name as a contributor to this new reference work.

**DID YOU MISS OUT ON
THIS ONE FROM
BORGATA??**

I have about eight of these spectator's gallery admission chips left from this year's Borgata World Poker Tour. If interested at \$10 each, please send email to me before I send out the March packages.

NEW ROOM KEYS AT TAJ MAHAL & SHOWBOAT

Four new hotel room keys have been issued at Taj Mahal and a new variation exists of the Showboat room key. I'm currently in short supply of all these items. If anyone is interested in collecting these increasingly popular collectables, please send email request and I'll add your name to the list.

Sunday November 12, 2006

Doors open to trade session at 11 a.m. at Trump Marina ... business meetings usually begin around 1 p.m.

Visitors are always welcome!

Where else do you get all this good information for free?

**PULLEEZE
RETURN INVOICES
WITH YOUR PAYMENT!!**

Also, while I've got your attention ... if you are behind in payment(s), I will not be mailing out the current chips in the future until payment is received for the previous shipment. This could result in some subscribers not receiving a few of the short issues. It's not fair to those who are current with their monthly payments who do not receive a chip in short supply ... when those who may be in arrears do get one. Please help me out with my bookkeeping by staying up to date with invoices.

ARE YOU A CC>CC MEMBER??

If not, I would be pleased to sponsor you as a new club member. Please email me for a membership application.
