TRUMP PLAZA ULTIMATE FIGHTING CHAMPIONSHIP

TPP-5ag (700)

This Ultimate Fighting Championship bout was held on October 23rd at Boardwalk Hall, which is adjacent to Trump Plaza Casino.

TRUMP MARINA FINALLY ISSUES ROCK THE VOTE CHIP FOR 2004 ELECTIONS

MAR-5ae (500)

This chip originally intended for release in 2003, was held back a year for the Presidential elections in 2004. A surprise announcement posted on the Internet, a couple of days before the release of this chip, advised that only 500 chips were manufactured. This extremely low number for a \$5 chip resulted in a quick sell-out in about 20 minutes. As a result, I was not able to acquire enough chips for all of my subscribers. **Only one chip per person will be mailed ... and using CC >CC membership numbers will determine who gets one.**

HALLOWEEN CHIPS AT TRUMP MARINA, SHOWBOAT AND TRUMP PLAZA!

MAR-5af

This Trump Marina Halloween chip was released on Saturday, October 30th and was limited to 666 pieces.

SHO-5e

SHO-25b

After a long hiatus ... Showboat has re-entered the LE chip program with this \$5/\$25 pair of chips for Halloween early Saturday morning, October 30th. The line of chip purchasers on hand for this release was the longest I've seen in town in a long, long time. We hope to see additional Limited Edition chips coming from Showboat and Chris Block in the near future.

TPP-25l

This \$25 Lenticular (hologram-like) design Halloween chip will make its

appearance at Trump Plaza sometime after Halloween. There was a production problem with the lenticular center inlays. When tilted at different angles, the obverse image changes from a skull to a flaming pumpkin. 300 \$25 chips were manufactured.

BOR-WPT

This chip was manufactured by the U.S. Playing Card Company. Sold for over \$70 on Ebay. Sorry, I have none left for sale.

BOR-MAXncv (1000)

This Borgata No Cash Value chip was distributed at a tent party held in Houston, Texas during the Super Bowl 2004 festivities, which was co-

sponsored by Circus Maximus Magazine and Borgata Casino. A very difficult chip to obtain... I don't even own one (yet), but I'm sharing the illustration of the chip with my subscribers. In case anyone comes across one, you will know what it is.

A.C. CHAPTER MEETING

The last A.C. club meeting of the year will be held on Sunday, November 14th at Sands Skyline Room on the 3rd floor. Doors open at 11 a.m. Guest Speaker will be Assemblyman Jeff Van Drew, Chairman of the Assembly of Gaming and Tourism Committee. The A.C. club is very fortunate to have a Guest Speaker of Mr. Van Drew's stature to address our membership.

Visitors are always welcome!

UPCOMING NEW ISSUES

Tropicana will be issuing a \$25 **Grand Opening** lenticular chip for their Havana-themed expansion project, "The Quarter". No release date or numbers to be issued have been announced. Possibly a \$25 G.O. token is in the works as well.

Apprentice chip at **Taj Mahal** is back on track. \$5 & \$25 **Star Bar** in the works as are \$5 & \$25 LE's for **Gloria Estafan and Cheryl Crow**.

Trump Plaza's \$5 Footloose chip is still pending and a chip for their current show **\$5 Jekyll & Hyde** is in the works along with a **\$20 chip** issue for **Veterans Day**.

Trump Marina; \$10.00 **Ms. Deckadence**, plus AC. 150th Anniversary **Hooters** set to be issued "soon".

New Years, Chinese New Years and Mardi Gras chips are being planned by **Showboat**.
