“MR. CHIPS” NEW ISSUES SERVICE

The long-awaited update of my 2005 Puerto Rico catalog is finally ready for distribution. Only 50 copies were produced. Email to reserve your copy. \$35.00 postpaid, via priority mail.

NEW SLOT CARDS IN TOWN!

These cards are becoming very popular casino collectibles, especially the Limited Editions, some of which are very hard to find ..., like the “Red Hatters” card.

This Limited Edition card from Trump Marina, featuring “The Donald’s” color photo and famous hair cut, is currently being issued at the Marina property during the month of August through September 3rd and is priced at \$1 each.

This “Cirque Dreams” LE card was originally only issued for two days when 5000 cards were distributed and exhausted ... until a new supply of cards was received. If you would like your name to be added for new A.C. slot cards and/or room keys to my New Issues Service as issued, please put a note on your invoice, or email me, and I’ll update my database. Currently available cards are \$1 each. Blank cards with no names or account numbers printed are \$2 each ... when available.

Speaking of slot cards ... it was announced at the recently concluded 2005 CC>CC Convention in Las Vegas that this Trump Plaza issue of “Card Sharks” (the name of the professional indoor football team at Boardwalk Hall) won the “2004 Slot Card of The Year” competition.

Congratulations to Joe Gontowski and the Trump Plaza graphic arts department! Sorry, I have none available for sale.

**HOUSE OF BLUES NO CASH
VALUE GRAND OPENING
CHIPS ISSUED**

This no cash value brown chip was given out to players who received an invitation in the mail on the day of the House of Blues Grand Opening. I purchased a small number of chips from players who claimed their chip at the promotions desk. A few weeks later, Showboat offered a small quantity of NCV chips to the A.C. Casino Collectibles Club to sell to their membership at \$2 each for the club treasury ... and chip sales are to be restricted to one chip per club member.

I am unable to sell these chips in my inventory at that price. If interested in purchasing one at retail, please email me for price.

**SHOWBOAT POKER ROOM
CHIPS ISSUED**

Some folks are confusing this recent \$5/\$10/\$20 chip issue with a House of Blues poker room chip set. The new Showboat Poker Room is nowhere near the House of Blues Casino ... which is located at the Boardwalk entrance of Showboat Hotel & Casino.

The new Showboat poker room is located on the 2nd floor of the Showboat Casino, in the former site of the Mississippi Ballroom, far away from the House Of Blues property.

TRUMP PLAZA BEACH BAR

This chip was issued on August 16th to mark the very successful new Beach Bar located on the sandy beach right in front of the Trump Plaza casino. Tiki huts on teakwood decks, pretty bikini clad women and island music entertainment on hot sunny days makes one think of an island resort rather than being in Atlantic City, New Jersey.

UPCOMING NEW RELEASES

TRUMP MARINA is to issue a 20th Anniversary 3-d chip later this summer. (Gosh; has it really been that long)?

SANDS; Still no word is available on their 20th Anniversary LE chip that was announced a few weeks ago in a local weekly news paper. This chip issue was supposed to be released on July 4th weekend. No news yet ... stay tuned, it's still in the hopper!

TRUMP PLAZA and **SHOWBOAT** will each be doing a Halloween chip this year.
